

Coastal Resilience Community of Practice Meeting

Wednesday, October 30 – 10am - 2pm

[406 Craven Street, New Bern](#) – Craven County Administration Building, Second Floor Commissioner's Board Room

Agenda

- Introductions, vision for group, overview of how similar groups operate
- Update on Climate Change Executive Order 80, next steps from resilience workshops/summit
- Update on release of DCM Resiliency Roadmap / Storymap Tool
- Working lunch & round robin – members share what they are working on related to resilience
- Synergies with Coastal Habitat Protection Plan update and [Natural & Working Lands Stakeholder Group](#) (see draft work plan for coastal habitat subcommittee) – *some NWL meetings have discussed identifying / organizing around opportunities to implement actions through local government/communities*
- Synergies with Green Growth Toolbox / utility of developing a Model Coastal Conservation Ordinance Resilience Module
